

At **one u** **u** are Unique.

Our sole vision is **u** and we are committed to successfully achieving all of your aesthetic needs through our customized and results-oriented techniques, all in a relaxing environment.

One U Aesthetics, a division of **Pulmonary and Medical Associates**, specializes in providing the highest quality and most advanced medical and aesthetic services available.

At One U, we know a patient's health, safety and satisfaction are the highest priority. Led by David Duhamel M.D., our goal is to treat our patients as unique individuals and tailor treatments according to their specific goals.

**David Duhamel, M.D.,
